ACTION MEMORANDUM SIGNED FOR LF019 AT JB MDL-MCGUIRE

The Department of the Air Force and Joint Base McGuire-Dix-Lakehurst (JB MDL) announce the signing of an Action Memorandum for a Time-Critical Removal Action (TCRA) at Operable Unit 3, Site LF019, to remove recently discovered munitions and explosives of concern in a swale and isolated portion of the site. LF019 is a 5.5-acre parcel of land that was used as a landfill in the early 1970s. The Action Memorandum documents the approval to implement a TCRA to protect human health and the environment, pursuant to the National Contingency Plan and the Comprehensive Environmental Response, Compensation, and Liability Act of 1980. The removal action is expected to begin in January 2021.

A copy of the Action Memorandum is available at the Burlington County Library, 5 Pioneer Blvd., Westampton, NJ. A copy is also available at www.envirostorejbmld.com (click on the Community Involvement tab). Interested members of the public are invited to review and comment on the Action Memorandum during the 30-day public comment period, ending January 19, 2021. A report on the removal action will be added to the record at the Burlington County Library upon completion of the action and finalization of the report. Comments on the action can be sent to: Mr. James Richman, Remediation Program Manager, 787 CES/CEIE 2403 Vandenberg Avenue, Joint Base McGuire-Dix-Lakehurst, NJ 08641; emailed to james.richman.1@us.af.mil; or sent by fax to 609.754.2267
